

# THE LIBRARY

*In Downtown Cape Girardeau*

## **Our Story**

In 2009, Cathy Thompson noticed the need for an upscale venue in Cape Girardeau. Her solution?

The Library. Guests are welcomed by a fantastic, cozy atmosphere where they can enjoy a drink or grab a bite to eat all year round. During the Summer, enjoy our fabulous covered patio with a cold beverage and a little something to eat. For some friendly competition you can play some yard games out on the massive blacktop area. When the cold hits, you can still enjoy the outside with our toasty infrared heaters that keep our enclosed deck nice and warm. There are many choices of beer and spirits to choose from, along with a variety of appetizers and entrees. Chat with our bartenders who tend to treat our guests more like family.

On Fridays, you can enjoy live bands from 6 to 9 on the deck with your favorite drink, food, and people. You can even get up and get moving on our spacious dance floor. We have the perfect set up for groups big and small, just give us a call to reserve a table for you.

In 2014, Cathy continued to build her masterpiece, purchasing the properties on Independence street. With a vision consisting of luxury, elegance, and sophistication, Cathy created The Study of The Library, which houses our private VIP rooms. These rooms are also available to rent for any and all types of gatherings up to 100 guests.

In 2016, Cathy continued to expand The Library by purchasing Bel Air (The Playground), giving us a much larger outdoor venue and our restaurant-quality kitchen that is capable of producing food for our everyday guests and catering events of all sizes.
